Purpose of the affidavit: Georgia Law (O.C.G.A. 50-36-1, et seq.) requires the GLC to verify the lawful presence within the United States of all applicants for licenses, and, when necessary, utilize the Systematic Alien Verification for Entitlements (SAVE) Program to confirm an applicant’s lawful presence in the United States. The SAVE Program is an intergovernmental information-sharing initiative designed to assist Federal, State government agencies and non-governmental agencies, such as licensing bureaus, in determining an individual’s immigration status. The information provided by SAVE will ensure that only entitled applicants will be granted the license for which they applied. SAVE only provides the immigration status of these individuals and does not make determinations or recommendations regarding a non-citizen’s eligibility for the license.
