STEP 2: READ INSTRUCTIONS FOR COMPLETING MULTIPLE YEAR LICENSE APPLICATION

The Multiple Year License Application gives license holders the choice to apply for a license that lasts an additional one or two years at the time of issuance or renewal. The fee for multiple year licenses is calculated by taking the annual license fee and multiplying it by the number of years the license will be valid. The instructions for applying for a multiple year license are:

1. Before starting the Multiple Year License Application, you **MUST have already submitted your 2025 (07/01/2024 – 06/30/2025) new or renewal license application online at www.gacoam.com**. NOTE: If you are only applying for the 2025 licensing year, you DO NOT need to submit the Multiple Year License Application.
2. If you are applying for additional years, ensure that at least one owner of record for the specified business completes the Multiple Year License Application.
3. Complete Steps 1 through 7 on the Multiple Year License Application. Providing incomplete or inaccurate information may cause delays in processing your application.
4. **IMPORTANT:** In the first year of choosing the multiple license year option, the license you will receive will display “2025” in the upper right-hand corner with an expiration date of “June 30, 2025”. The following year, you will automatically receive a new license displaying the selected multiple year term in the upper right-hand corner, with the updated expiration date for that chosen term.
