STEP 2: READ INSTRUCTIONS FOR COMPLETING MULTIPLE YEAR LICENSE APPLICATION

The Multiple Year License Application gives license holders the choice to apply for a license that lasts an additional one or two years at the time of issuance or renewal. The fee for multiple year licenses is calculated by taking the annual license fee and multiplying it by the number of years the license will be valid. The instructions for applying for a multiple year license are:

1. You **MUST** already have submitted your 2026 (07/01/2025 – 06/30/2026) new or renewal license application online at www.gacoam.com before starting the Multiple Year License Application. **NOTE: If you are only applying for the 2026 licensing year, you DO NOT need to submit the Multiple Year License Application.**
2. If you are applying for additional years, ensure that at least one owner of record for the specified business completes the Multiple Year License Application.
3. Complete blue highlighted portions that apply to type license. Complete all steps (Steps 1 through 7). Incomplete or inaccurate information may delay processing.
4. In the first year, your license will display "2026" and expire on June 30, 2026. Each year after, a new license will be automatically issued with the correct licensing year and expiration date. This application applies **only to your COAM license**. **Decals are not included** and must be **ordered separately each year by Master License Holder**.
